**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I subscribe to a small local broadband and phone provider and have for years. I want to foster competition and do not support price hikes or any changes to the current structure.

I have had excellent service from them. In the past I have had service with two of the large national providers without the same service and price. I would be very unhappy to have my choices restricted.
